St., Yiwu, Jinhua, Zhejiang Province, China P.R.C

Founded in 2019 in Yiwu, China, Lichi Sports Co., Ltd. is a premier, vertically integrated manufacturer and exporter specializing in personal mobility and action sports gear. Our diverse portfolio features kick scooters, electric scooters, skateboards, and a comprehensive range of accessories. We cater to all needs, from children's three-wheel scooters and adult two-wheelers to urban commuter e-scooters and off-road vehicles. By integrating R&D, design, and sales, we bridge the gap between engineering and market-ready solutions.

Our production is anchored by state-of-the-art facilities in Dongguan and Jinhua, covering 8,000 square meters. This integrated infrastructure includes dedicated workshops for injection molding, die-casting, and assembly, allowing us to maintain rigorous quality control and production timelines. With high-precision CNC machines, automated assembly lines, and advanced testing, our 200+ technicians ensure excellence. Adhering to ISO9001 and BSCI standards, we implement 6S management to sustain a robust monthly output of 30,000 units.

Lichi Sports holds a strong position in the mid-to-premium market, with a significant footprint across North America, Europe, and Latin America. We serve over 30 countries, including the U.S., Germany, Brazil, and the UAE, with annual export revenue of USD 1–2 million. We provide reliable, safe gear for international retailers and distributors. Through our combination of large-scale manufacturing capacity and professional trade expertise, we stand as a trusted, quality-focused partner committed to delivering value to global businesses.
